Contemporary Classic

–

Derived from a seriously contemporary reimagining of classic colour pairings, this iconic interior palette would just as easily lend itself to a modern farmhouse aesthetic as it would a quintessential city terrace. Scalloped brickwork makes a statement while terracotta tones and rich, raw finishes create a symphony of texture accented by pops of bronze and charcoal.

1.	**Roof**	Terracotta Roof Tile – Bristile Roofing – Curvado in Roja
2.	**Roof**	Terracotta Roof Tile – Bristile Roofing – Marseille in Burnt Ochre
