

BRICKWORKS LIMITED (ASX: BKW)
Share Purchase Plan

25 September 2009

Yesterday, Brickworks Limited (**Brickworks**) announced a share purchase plan (**SPP**), under which Brickworks shareholders will have the opportunity to acquire up to \$15,000 worth of Brickworks ordinary shares.

Brickworks has been delighted with the reaction to the SPP.

Under the current terms of the SPP, the date on which Brickworks determines the shareholders eligible to participate in the SPP is Wednesday, 30 September 2009.

Brickworks notes that ASX does not issue a corporate action message for share purchase plans. Accordingly, Brickworks wishes to advise that its intention in respect of the SPP is that shareholders who acquire shares through trades made on ASX by close of trade today will be eligible to participate in the SPP.

Under the terms of the SPP, Brickworks has the power to accept or reject applications and the power to waive compliance with, amend or vary the terms of the SPP. Brickworks reserves the right to exercise this power (including an appropriate scale back) in the event that the level of demand exceeds its capital requirements.

A copy of the terms and conditions of the SPP were announced to ASX yesterday and will be dispatched to Brickworks shareholders shortly.
