BRICKWORKS SHAREHOLDER MEETING TO BE POSTPONED

Dear Shareholder,

The Independent Board Committee (IBC) of Brickworks Limited advises shareholders that it has reached agreement with Perpetual/Carnegie to postpone the adjourned general meeting of shareholders ("the meeting") until 10 April 2014.

Shareholders will recall that the meeting called by Perpetual/Carnegie for 25 November 2013 was adjourned until 28 February 2014, so that the IBC and Brickworks' shareholders would have sufficient information relevant to the resolutions to be put to that meeting.

The IBC believes that shareholders will be in a better position to receive and properly consider all of the relevant information they need as a result of the postponement.

The meeting will now be held at 12.00pm on Thursday 10 April 2014, at the Ballroom, the Establishment, Level 2, 252 George St, Sydney. This letter serves as the formal notice of postponement for the purposes of article 5.11(e) of the Brickworks Ltd constitution.

Yours sincerely

Brickworks Limited

The Hon. R.J. Webster
Lead Independent Director
