Nubrik 290

Available Nationally

—
Sleek and refined, our Nubrik pressed bricks now come in a new linear format of 290 × 110 × 50mm. Available in any of the Nubrik Australis, Artisan and Traditional colourways, this new format brings a refined contemporary edge to the Nubrik portfolio.

The full Nubrik collection is now also available, made to order in 230 × 110 × 50mm.

Nubrik Australis

Available Nationally

—

Developed over months of trials in our Wollert plant, our research and development team has achieved something genuinely special – a pressed brick with timelessly beautiful subtle marbling. It allows the clay to mimic natural rock, creating distinctive and appealing naturally multicoloured tones.

Park Lane

NSW and QLD Exclusive

—
Inspired by the Georgian townhouses and Victorian mansions that grace the streets of London's magnificent old town, this range speaks of elegance and refined taste. Robust and confident, Park Lane offers the perfect balance of classic form – equally at home in the city or leafy countryside.

Stratos Series

NSW Exclusive

Inspired by Australia's magnificent coastlines and endless skies, this vibrant collection is a masterclass of finesse and understatement. A favourite in contemporary homes and commercial projects, Stratos bring subtly variegated tones with natural contrasts and gentle metallic finishes – perfect for both architectural highlights or strong focal points.

Bowral Highlands

Available Nationally

Using clay sourced from the Southern Highlands of New South Wales, these tactile creations are blended by our master brickmakers to spectacular effect. Bowral Highlands offer shades that morph from light to dark, with natural seams of colour within each brick. These expressive veins result in a crafted brick unlike any other; the perfect balance of form, function and enduring class.

Archetype

SA Exclusive

—
From dappled sunlight to coastal storms, these classic bricks have a traditional weight, presence and visual strength – but with a tonal difference that makes any project uniquely contemporary. Created by Austral Bricks SA, these bricks are well-loved by architects, owners and specifiers for good reason.

Thin Brick

Available Nationally

Because Thin Brick is genuine brick only thinner, it gives you more flexibility to add style and authenticity to any part of your house, reducing the cost and time that it would take for standard brick applications. From striking splashbacks to inviting outdoor entertaining areas, there's no limit to Thin Brick's range of applications inside or outside your home.

Piccolo Pavers

SA Exclusive

—
These pavers are called 'Piccolo' – the Italian word for small. But when combined with other textures and colours, they can still make a big impression. Robust, durable and easy to care for, these pavers can be used to create innovative design features and subtle pattern variations.

Landmark Stone

NSW and QLD Exclusive

—

These natural forms have the strength, durability and imperfect beauty of real stone. Ideal for architectural projects that require a lower-cost solution than traditional stone, they offer a naturally grounded design register when used for contemporary and traditional projects in commercial, institutional or residential placements.

Australian Marble

Available Nationally

From the breathtaking gorges and vast chasms of Karijini National Park, with its swirling purple, white and orange minerals, to the hills of Millstream-Chichester, this range was inspired by Western Australia's Pilbara region. With four distinctive colourways, two sizes and two finishes, the Australian Marble collection offers a rich and textured story of luxury and opulence, but with a distinctly modern edge.
