

Kingston & Sandfire

Kingston is the newest addition to Austral Bricks impressive range of 2 course face bricks. The subtle grey shade of Kingston, combined with the earthy red tone of Sandfire is reminiscent of the rocky formations along Western Australia's magnificent coast line. Austral Bricks Kingston and Sandfire are available now with a full range of accessories.

For more information on this new product, or to order a product sample contact your Austral Bricks Account Representative or call **13 BRICK (13 2742).**
