benefits of architectural masonry

Designed to last

Concrete masonry products are designed to last the test of time.

Low maintenance

Minimal maintenance required.

Environmentally friendly

Low in embodied energy, recyclable and results in minimal waste.

Rust, rot and termite resistant

Concrete masonry products won't rust, rot or corrode and are termite resistant.

Strong and weather resistance

Strong and dense, concrete masonry is designed to withstand strong impact.

Design flexibility

Breeze Blocks can be used individually or together and in various layouts to create a unique finish.

The product images shown in this brochure give a general indication of product colour for your preliminary selection. GB Masonry recommends all customers see actual product samples at a selection centre prior to making final selections.

- 1. Stock colours.** Colours other than stock colours are made to order. Contact your nearest Austral Masonry office for your area's stock colours. A surcharge applies to orders less than the set minimum quantity.
- 2. Colour and texture variation.** The supply of raw materials can vary over time. In addition, variation can occur between product types and production batches.
- 3.** We reserve the right to change the details in this publication without notice.
- 4.** For a full set of Terms & Conditions of Sale please contact your nearest Austral Masonry sales office.
- 5. Important Notice.** Please consult with your local council for design regulations prior to the construction of your wall. Councils in general require those walls over 0.5m in height and/or where there is loading such as a car or house near the wall be designed and certified by a suitably qualified engineer. The product images shown in this brochure give a general indication of product colour for your preliminary selection. GB Masonry recommends all customers see actual product samples at a selection centre prior to making final selections. Product must be inspected prior to installation as product is deemed as acceptable once installed.
