UNIQUE COLOUR AND STYLE PALETTES *for a* RANGE OF BEAUTIFUL BUILDING PRODUCTS

For the style conscious homeowner, Wendy has taken her inspiration from both domestic and international trends, while keeping the selections relevant for the Australian lifestyle. Each palette features different variations of Brickworks products and colours illustrating that whether your look is traditional or contemporary, there's a design to suit every taste.

TAILORED ELEGANCE

Products featured:

**AUSTRAL BRICKS | LA PALOMA AZUL, AUSTRAL BRICKS | BURLESQUE MAJESTIC GREY, AUSTRAL MASONRY | GB HONED PORCELAIN,
BRISTLE ROOFING | PLANUM WALLAROO, AUSTRAL MASONRY | ENDURSTONE FLAMED BLACK GRANITE**

Echoing the elegant Hamptons style, this is a look that draws inspiration from grand homes and an Ivy League heritage.

The soft teals and deep marine tones sit perfectly with the textures of natural stone and the tailored, formal finishes. Streamlined architectural details add interest and light play to an otherwise simple scheme.

This is a look that can extend throughout the whole home, deeper colours will sit well in private spaces such as bathrooms and bedrooms, whereas the stones and textured surfaces blend the indoor style with outdoor spaces designed to be an extension of the living rooms. Bring in architectural details with moulding and panels and complete the look by decorating with soft natural fabrics, while oversized and comfortable seating create warmth and balance the formality.

NAKED AMBITION

Products featured:

AUSTRAL BRICKS | LA PALOMA MIRO, AUSTRAL BRICKS | ALLURE ARIANA, AUSTRAL MASONRY | ARCHITEC POLISHED ALABASTER,
BRISTLE ROOFING | PLANUM COCOA, AUSTRAL MASONRY | TERRE MARIGOLD

The blush hues of this soft and feminine style carry undertones of caramels and creams combined with the understated luxury of warm metallic and soft terrazzo.

A whisper of creamy whites flow through this palette to keep the style chic and timeless. Shapes are simple and stylised, with smooth, matt finishes that mimic the softness of petals and let the colour steal the show.

This is a theme that will suit any room, creating an inviting sense of calm. As at home in open plan living as it is in a master suite, it can extend outdoors as it captures and softens light perfectly. It's even perfect for an outdoor space that will capture and soften light perfectly.

GLOBAL PATTERN

Products featured:

AUSTRAL BRICKS | SAN SELMO GREY CASHMERE, AUSTRAL BRICKS | CAMILLA AZURE, AUSTRAL MASONRY | GB HONED PORCELAIN, BRISTLE ROOFING | CLASSIC SHINGLE PEARL, AUSTRAL BRICKS | SAN SELMO WHITE GLAZED TEARDROP, AUSTRAL MASONRY | TERRE MARIGOLD

International influences are now part of everyday life, and the patterns and textures from far-flung lands are being collected as part of a new Australian lifestyle.

Graphic patterns and individual accents make this style truly personal, evoking memories of travel and times past, creating a sanctuary of your own.

Architectural shapes and patterns bring living areas to life and industrial becomes chic with the return of the breeze block. Perfect for blues, teals and aqua shades, it works just as well with mustard, ochre and chocolate tones. The key is in the pattern and colour consistency rather than the colours.

A complex, abstract composition of various materials and objects, including a white flower in a dark bowl, a spool of gold thread, a dark plate, a blue textured object, and several gold coins, arranged on a white background.

AUSTRAL BRICKS | POESIA BLUE SAPPHIRE POLISHED, AUSTRAL BRICKS | LA PALOMA ROMERO, AUSTRAL BRICKS | BURLESQUE INDULGENT WHITE, AUSTRAL MASONRY | GB HONED NICKEL, BRISTLE ROOFING | PLANUM SLATE, AUSTRAL MASONRY | ENDURASTONE FLAMED GREY GRANITE

Reflective surfaces, such as bronzed glass, faceted crystals and burnished or brushed brass forms a light play within the space to create a sense of balance against the saturated receding tones, and add a touch of glamour. Very little white is needed, as the indigo shades are both the base and the accent colours.
