WE ARE AUSTRALIA'S BEST BUILDING PRODUCTS COMPANY + THE LEADERS IN STYLE AND INNOVATION

Our vision

Brickworks Building Products is one of Australia's largest and most diverse building material manufacturers. Our company has built an enduring reputation with our customers – we are loved for our innovation, professionalism and ever dependable products and services.

As Brickworks Building Products expands nationally, we continually foster and advance our products and our brands. We continue to lead the way through design, style, innovation, sustainability and collaboration. Our commitment is to inspire, support, create and build better environments and places for our customers and communities.

All integral to our clear vision to become Australia's best building product company.

LLY

Double Talk is Brickworks Building Products Australia-wide Speaker Series, curated by renowned Sydney based architect Stephen Varady.

Developed to showcase some of the best architects in Australia, Double Talk is designed to be intelligent, engaging, thought provoking and entertaining.

The speaker presentations are framed to give some 'behind-the-scenes' insight into the brief, client, site, design process, construction process, as well as showing the completed works.
